Istari LLC guarantees that the above stated bitch was bred to the above stated dog. All bitches will be bred as needed (natural or by AI) to ensure the breeding takes place. Bitch will be bred on alternate days while in standing heat.

The bitch owner has the choice of:

_____ A) breeding service of \$200, due at time of breeding. This amount will be deducted from the balance due when litter registration is signed. If less than two puppies result from this breeding or less than two puppies live to the age of two weeks of age, no balance or repeat breeding will be due.

_____ B) Pay the full stud fee amount at the time of the breeding and have a guarantee of 2 live puppies to 2 weeks of age. If two live puppies do not result from this breeding, a one-time repeat breeding will be given at no cost to any dog owned, co-owned or leased by bitch owner. The stud dog owner guarantees that, the stud portion of an official AKC litter registration form will be filled out, signed and handed to owner of bitch upon receipt of the full stud fee, or if option B) when litter is born.

Bitch owner/lease guarantees that no puppies from the resultant litter will be sold to pet shops or other wholesale outlets. In addition, the bitch owner realizes that registration papers for this litter will not be signed until full payment for the stud service has been received.
